

Send Loose Group Reports

About this set of reports

The **Send Loose Reports Group** is a set of four custom reports in the new **NOTE (Nice On The Eyes)** format. The four reports are useful as a complete set of checklist-style shipping, staging and delivery reports. The four reports are; **Cabinet List & Send Loose Accessories**, **Send Loose Applied Doors & Panels**, **Send Loose Adj Shelves**, and **Send Loose Moldings**.

Set up these four reports in a Report Group to make it "push button easy" to print all four reports at once...
